Suitable tractor rating	Mini. 42-45 HP with SCV	Mini. 42-45 HP
Weight of machine	400 kg	390 kg
Hitch type	CAT II	
Working width per bottom	330 mm	
Working depth	204-330 mm	
Underframe clearance	595 mm	
Interbody clearance	610 mm	
Soil opener	Edge type	

## DELUXE MB Plough

### Hydraulic cylinder

Safe and quick turnover action, bears high impact of load. Less effort required and less operator fatigue.

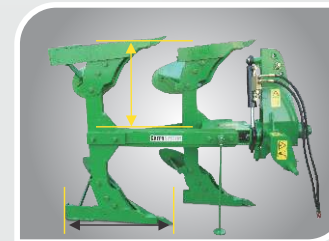

### Modular assembly

Reduces soil resistance with the strong & smooth mold board. Load reduction results in better fuel efficiency.

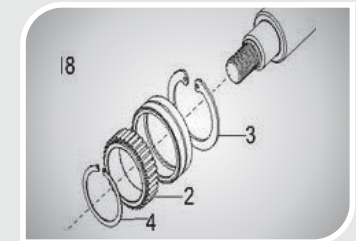

### Frog assembly with bar point

Helps to replace worn out components easily. Also acts as support for all ground engaging tools.

### Interbody & underframe clearance

Adequate interbody and underbody clearance helps to work in grassy land. Better soil inversion.

### Heavy duty needle bearing

Increases reliability and durability of implement. Provides smooth working.
